Nordic Ski Bus 2020

On Thursdays and weekends through the winter we go on bus trips to the Cascades for cross country skiing and snowshoe trips. We try to go to a new destination each trip and pick the spot based on what looks like the best possible weather and snow conditions. Over the past many years we have had some very memorable days coasting through pillows of powder along scenic ridge tops, and plunging into groves of old growth trees on a silent winter day with flakes drifting down all around. Our range is from Mt. Baker to Mt. Rainier and everywhere in between. Each bus series includes five (5) trips that run every other week through the season from January to early March. The Saturday bus starts on 1/11 (January 11th), Federal Way Sundays start 1/12, Thursdays begin 1/9, and the Sunday bus starts 1/5. We leave town about 8am returning usually by about 5pm. We have pickups in Seattle, Bellevue, and Federal Way before the bus whisks us away to the fresh air and sparkling snow of the Cascade Range. Please come and join us for a winter of new adventures. Bus series cost is \$220 plus your annual membership in the club: \$20 for individuals or \$25 for families (5 Bus Trip Season \$240).
