1/13,2/10,3/3 SNOWSHOE DAY TRIPS

The sport has grown do much in the past decade that many of the better developed cross country ski centers have put in networks of marked snowshoe routes which crisscross the same terrain. This may be because it is so easy to pick up the sport if you are a summer hiker, or because it offers an easy way to enjoy the mountains during the winter when they are so beautiful. With snowshoes, slope and proximity of trees is not so important as with nordic skis, so the trails can plunge straight down slope to a lake shore or right up a creek valley. One of my favorite trails at Sun Mountain Lodge, Raider Creek, has been converted to a snowshoe route.

Come with us for a day on the snow to try this popular sport of hiking on snowshoes. Trail options vary from easy road grades to winding paths. No specific skills are needed but everyone should be capable of spending the day on the trail.

Remember to bring a day pack with water and a lunch. Previous experience on snowshoes is not needed. A guide/instructor will spend time with the group in the morning so that everyone has the opportunity to get properly laced into their shoes, get an orientation to the sport, and be able to start down the path with proper technique. Party members will then be released to travel at their own pace if they choose or can stick together as a group. Provided: transit, maps. Dates 1/13, 2/10, 3/3, Cost per trip \$47
